

Course organisation MSc International Health

A Course organisation if all RPE has already been gained before the start of the MScIH programme

Student with 210+ ECTS from BSc studies	Months full time	12+	1	2	3	4	5	6	7	8	9	10	11	12	Total ECTS credit points to MSc: 90	Total ECTS credit points BSc + MSc: 300
	ECTS credit points	20	20				20				30					
Modules	Relevant Professional Experience	Core Course, Charité Berlin				Advanced Modules, Charité or tropEd Institutions				Master Thesis, Charité Berlin						

B Course organisation if all RPE still has to be gained during the MScIH programme

Student with 210+ ECTS from BSc studies	Months full time	1	2	3	4	5	6	7	8	9	...	20	21	22	23	24	Total ECTS credit points to MSc: 90	Total ECTS credit points BSc + MSc: 300
	ECTS credit points	20				20				20				30				
Modules	Core Course, Charité Berlin	Advanced Modules, Charité or tropEd Institutions				Relevant Professional Experience				Master Thesis, Charité Berlin								

C Course organisation if some RPE has been gained before the start of the MScIH programme and some needs to be gained during the MScIH programme

Student with 210+ ECTS from BSc studies	Months full time	(6)	1	2	3	4	5	6	7	8	9	...	(14)	(15)	(16)	(17)	(18)	Total ECTS credit points to MSc: 90	Total ECTS credit points BSc + MSc: 300
	ECTS credit points	(10)	20				20				(10)				30				
Modules	Rel. Prof. Exp.	Core Course, Charité Berlin				Advanced Modules, Charité or tropEd Institutions				Relevant Professional Experience				Master Thesis, Charité Berlin					

Please note that this is the ideal course organisation when studying fulltime. Often gaps between the selected advanced modules (sometimes unavoidable) and additional time to develop the thesis proposal, to get it approved and to conduct the proposed project (depending on the research methodology) might prolong the effective study period.
