

Curriculum - Master of Science Research in Media Engineering

ECTS	semester	content	
5	1/2	Core Modules of Media Technology	
10			
15		Research Seminar	
20		Modules from other engineering fields	
25			
30			
35	1/2	Core Modules of Media Technology	
40			
45		Modules from other engineering fields	
50			
55			
60	Soft Skills		
65	3	Media Project	Research Project
70			
75		Modules from other engineering fields	
80			
85			
90	4	Master's Thesis + Colloquium	
95			
100			
105			
110			
115			
120
