In addition, students who are enrolled at other state or state-recognised higher education institutions as regular students and are carrying out an internship as part of their studies are eligible for accommodation.

**Application deadline**
Applications are accepted all year round, but at the earliest six months before you want to move in. The application is valid for six months after it has been received by the Studierendenwerk.

**Application**
Please fill in the [online application form](https://tl1host.eu/SWKA/#admission).

**Additional information**
The rooms in the residence halls are in great demand - especially at the beginning of the semester - and, therefore, are usually fully booked. The waiting list for a room is, unfortunately, very long, so it is strongly recommended that you apply for a room as early as possible. Applications can be submitted up to six months before the desired move-in date.
