Wohnheim Zürnstraße 2 • Zürnstraße 2 • 97074 Würzburg

This student residence is ideal for students studying at Sanderring and Wittelsbacher Platz and located close to the University of Applied Sciences and the city centre.

This student residence was built in 2008 and is an L-shaped 5-storey building with underground parking. The rooms have an internal network for internet access. The windows have sunshades. The wall heating is operated by geothermal energy, which also provides cooling in summer. Additionally solar thermal energy is used to provide hot water. The toilet flushes are operated with rain or well water. The building was awarded the German construction award 2010.

Once you have submitted your application, you will receive an email with a link for you to confirm your application. Please bear in mind that you must click this link in due time for the Studentenwerk to be able to process your application. If you fail to confirm your application in time, it will not be considered.

**Students in an exchange programme (ERASMUS, DAAD, etc.)**

The International Office does not arrange for accommodation for programme students. However, there is an arrangement with the Studentenwerk Würzburg: If your application for housing is received no later than the deadline announced, accommodation in a dormitory is guaranteed. The application is ONLINE. Please follow the detailed instructions given in the guide sent to you by the International Office.

Accommodation in halls of residence are allocated for a period of six months or 12 months. Students who take part in an intensive language course before the beginning of the lecture period may rent their accommodation a month earlier.

Every exchange student is guaranteed accommodation in a hall of residence provided that he or she applies in time and transfers a deposit by the following dates at the latest:
Winter semester: 15 June
Summer semester: 15 January

**Additional information**
Preference is given to programme students, as far as specific conditions are met and as far as places are available. The student residence and type of housing is selected by the Studentenwerk.
