The residences known as "Schlosswohnheime" are very popular due to their central location. Situated beneath Marburg Castle, the houses are surrounded by a generous garden landscape that includes parts of the old city wall. The Bettina tower is named after Bettina von Arnim, and an exhibition in the temple of love (Liebestempelchen) - also located on the premises of the student residence - is dedicated to her.

"Dr. Carl-Duisberg-Haus" was built in the years 1927 and 1959 and modernised in 2011.

**Standard application procedure**

**Application requirements**
Only students of the Philipps Universität Marburg are eligible to live in a student residence. You have to prove your status as a student on moving in.

**Application deadline**
You can apply any time. You must, however, be able to prove your status as an enrolled student at the Philipps Universität Marburg on moving in. Exception: those applying for a "Service package for foreign students" must adhere to special deadlines. The application for this package must be handed in by 30st June for the winter semester and by 31st December for the summer semester.

**Application**
Please apply by filling in and submitting ("speichern") the online application form [https://studentenwerk-marburg.de/en/living/online-application/online-application-residences/].

Printing out the form and sending it by post only makes sense if you want to include a copy of your disabled person pass or medical certificate. But even in this case, you can apply online and send the attachments by fax, as scans or by post.

After the successful transmission of your application form, you will be put on the waiting list and will receive, depending on the availability of rooms and your position on the waiting list, an offer via email about 2-3 weeks before your desired start of the contract. As far as you agree to the contractual conditions and the offered room, you have to transmit the signed rental agreement and other requirements (e.g. copy of passport, student card) as a scan via email to the Studentenwerk.

It is important that you send the rental agreement in duplicate by post or hand it in personally at the administration of student housing in
