Adolf-Reichwein-Haus • Geschwister-Scholl-Straße 11 • 35039 Marburg

"Adolf-Reichwein-Haus" is part of the Student Village. It was built in 1962 and converted in 1987, 2000 and 2001.

An Olympic Village is a temporary home for participants in the Olympic Games. The Student Village is situated at the foot of the mountain Kornberg, between the quarters Ortenberg and Waldtal. It offers students more than just accommodation: there are seven student residences in which students can study, live, have fun and communicate in many languages. Both new and more advanced students feel comfortable there. Students from all over Germany meet fellow students from different continents.

In May 2014, a new meeting centre, the Max Kade Centre, was opened in the Student Village. This new building provides a new space for an exchange between young people from different nations. Moreover, a four-storey residential building with 49 accommodations was built next to the actual meeting centre in which students can meet, have parties and make music. The Max Kade Foundation, which promotes international communication particularly between young people, supports the realisation of this project.

Between 1998 and 2004 three houses in the Students Village were modernised and renovated. Two-room modern apartments replaced three single rooms, each with their own little kitchen, and bathroom. At the same time, the opportunity to install Internet, sat, and telephone lines was used. The single rooms in Adolf-Reichwein-House have these facilities as well.

Some apartments are furnished, others merely has a little kitchen, a refrigerator, basin, hotplates, kitchen cupboards and bedroom cupboards. Some students may leave a chair, a bed or some other pieces of furniture when they move out, which makes the composition in each apartment quite different. You are allowed to bring along your own furniture, provided you rent an unfurnished apartment. All single rooms are furnished.

**Standard application procedure**

**Application requirements**
Only students of the Philipps Universität Marburg are eligible to live in a student residence. You have to prove your status as a student on moving in.

**Application deadline**
You can apply any time. You must, however, be able to prove your status as an enrolled student at the Philipps Universität Marburg on moving in. Exception: those applying for a "Service package for foreign students” must adhere to special deadlines. The application for this package must be handed in by 30st June for the winter semester and by 31st December for the summer semester.

**Application**
Please apply by filling in and submitting ("speichern") the online application form [https://studentenwerk-marburg.de/en/living/online-application/online-application-residences/].

Printing out the form and sending it by post only makes sense if you want to include a copy of your disabled person pass or medical certificate. But even in this case, you can apply online and send the attachments by fax, as scans or by post.

After the successful transmission of your application form, you will be put on the waiting list and will receive, depending on the availability of rooms and your position on the waiting list, an offer via email about 2-3 weeks before your desired start of the contract. As far as you agree to the contractual conditions and the offered room, you have to transmit the signed rental agreement and other requirements (e.g. copy of passport, student card) as a scan via email to the Studentenwerk.

It is important that you send the rental agreement in duplicate by post or hand it in personally at the administration of student housing in room 319 at the Studentenwerk Marburg, Erlenring 5. When all documents have been received on time, the rental agreement will be finalized with the signature of the Studentenwerk.
