Europahaus in der Willy-Andreas-Allee • Willy-Andreas-Allee 11, 15, 17 • 76131 Karlsruhe

The Europahaus in Willy-Andreas-Allee was planned as an "International House", which means that many international and exchange students live there. Students who have spent some time studying abroad or like to have contact to the international students tend to live in the Europahaus. There are groups of five to seven furnished single rooms with each group sharing kitchen, bathroom and toilet facilities.

Four single rooms adjusted to the needs of disabled people and wheelchair users are available. If required, one room can be used as lodging for a nurse attending to a severely disabled person. In addition a storage area for wheelchairs is available. The hall of residence is located next to the University of Applied Sciences, just on the edge of the Hardtwald.

**Additional information**

The rooms in the residence halls are in great demand - especially at the beginning of the semester - and, therefore, are usually fully booked. The waiting list for a room is, unfortunately, very long, so it is strongly recommended that you apply for a room as early as possible. Applications can be submitted up to six months before the desired move-in date.
