DAAD

Government Scholarships Programme Mexico COMECYT-DAAD Promotion • **DAAD**

Overview

Objective

Graduates receive a scholarship to complete a doctoral degree in Germany.

Who can apply?

Mexican graduates.

What can be funded?

Doctoral studies at a German university and, where appropriate, in conjunction with a non-university research Institution.

Duration of the funding

The scholarships for doctoral studies have a maximum duration of forty-eight (48) months.

Value

According to the cooperation agreement, the German Academic Exchange Service (DAAD) covers the following costs and services:

- Intensive German course in Germany with a duration of two (2) months incl. accommodation and cost of living during this period (DAAD); alternatively, accompanying German course during course of studies
- Financing health insurance, care insurance, casualty insurance and personal liability insurance during the funding period
- Rent subsidy
- Refund of TestDaF or DSH exam

According to the cooperation agreement COMECYT pays the following costs:

- monthly scholarship payments

Selection

Candidates are selected by a committee of Mexican and German scientists and academics.
