

Study Visits for Academics - Artists and Architects • DAAD

Overview

Objective

The aim of this programme is to promote artistic cooperations with German host institutions.

Who can apply?

University teachers from the following disciplines:

- Architecture (Interior Design, Monument Conservation, Urban Planning/Urban Development, Regional Planning, Landscape Architecture, Landscape Planning)
- Fine Art, Film, Design, Visual Communication
- Performing Arts (Drama, Direction, Musicals, Dance, Performance Studies, Choreography, etc.)
- Music

What can be funded?

- Study visits at state or state-recognised universities in Germany for artistic cooperations with a host institution. A study visit can also take place at several host institutions.
- Funding may only be claimed once within three years.

Duration of the funding

- One to three months; the length of the grant is decided by a selection committee and depends on the project in question and the applicant's work schedule.
- The grant is non-renewable.

Value

- Monthly payments of
2,000 euros for assistant teachers, assistant professors and lecturers,
2,150 euros for professors
- Travel allowance
- Other payments cannot be made.

Health insurance coverage is mandatory in Germany. If you do not have a corresponding home health insurance, you will be insured by the DAAD. The costs will be deducted from the scholarship payment.

Selection

An independent selection committee consisting of specialist scientists reviews applications.

The most important selection criteria are:

- specialist qualification which must be documented in the curriculum vitae
- a convincing and well-planned research project

Application requirements

What requirements must be met?

- Applicants must teach at an institute of higher education in their home country.
- The research project must be coordinated with the cooperation partner in Germany.

Language skills

- The required language level depends on the applicant's study plans and subject: In the arts, social sciences and in law, at least a good knowledge of German is usually expected. For the natural sciences and engineering, proof of good English language skills may also be accepted if English is spoken at the host institute.

Application Procedure

The application procedure occurs online through the DAAD portal. The access to the DAAD portal opens about 6 weeks before the application deadline.
