Additional information on tuition fees	The tuition fees are 19,900 EUR in total.
Combined Master's degree / PhD programme	No
Joint degree / double degree programme	No
Description/content	<p>Our full-time programme is suitable for professionals who have already gained a minimum of three years of post-graduate work experience and wish to strengthen their leadership skills to prepare thoroughly for international management positions. The programme offers a course of studies directly concerned with the core issues for companies working in an international business environment.</p> <p>The programme is divided into three stages covering for instance Finance, Strategy, Economics,</p>

Human Resources, Information Management, Marketing, Production and Organisation. The first stage focuses on providing students with basic management skills. The second stage then concentrates on international issues. Finally, the third stage offers the chance to apply the methods learned in a company project. Soft skills training including career coaching as well as international study visits, guest lectures and company visits are integral parts of this programme.

Various electives* are offered:

- Entrepreneurship and Design Thinking
- Digital Business and Technology Management
- Sustainable Business Leadership
- Sustainable Finance
- Consulting and Supply Chain Management

*Please bear in mind these are all subject to change.
