<b>International elements</b>	<ul style="list-style-type: none"><li>• International guest lecturers</li></ul>
<b>Integrated internships</b>	Not required, but possible if important for the doctoral project
<b>Special promotion / funding of the programme</b>	<ul style="list-style-type: none"><li>• Other (e.g. state level)</li></ul>
<b>Course-specific, integrated German language courses</b>	No
<b>Course-specific, integrated English language courses</b>	No

## Costs / Funding

<b>Tuition fees per semester in EUR</b>	None
<b>Semester contribution</b>	Semester fees are approximately 160 EUR in order to register as a doctoral student.
<b>Funding opportunities within the university</b>	Yes
<b>Description of the above-mentioned funding opportunities within the university</b>	Funding is usually provided by the research labs/grants.

## Requirements / Registration

<b>Academic admission requirements</b>	Master of Science or equivalent degree
<b>Language requirements</b>	Applicants must provide proof of English language competence.
<b>Application deadline</b>	Students pursuing a doctoral degree can apply throughout the year – there are no application deadlines.
<b>Submit application to</b>	Students pursuing a doctoral degree can apply throughout the year – there are no firm application deadlines (see: " <a href="#">Application – Doctoral Programme</a> "). However, before applying to the GTC, graduate students have to have an offer for a doctoral position from a Tübingen neuroscience lab.

# Services

---

## Accommodation

General information on this topic is jointly provided by the welcome centres of the University of Tübingen, its Faculty of Medicine and the Max Planck Institutes on the “[accommodation](#)” pages of the Tübingen Research Campus.

## Structured research and supervision

Yes

## Research training / discussion

Yes

## Support for international students and doctoral candidates

- Specialist counselling

## General services and support for international students and doctoral candidates

The personnel of the Graduate Training Centre of Neuroscience and the service [Support for junior researchers](#) offer comprehensive support and consulting.
