Combined Master's degree /	No

PhD programme

Joint degree / double degree programme Yes

Description/content

Two countries, two degrees: We offer our students the opportunity to choose from four specialisations in four different countries, enabling them to design their most valuable academic year!

Graduates of the International MBA will be awarded two degrees after studying for one year (fast track) or 18 months in two countries with classmates from all over the globe.

The students take the following core modules:

- Multinational Financial Management
- Business Analytics
- Global Marketing Strategies
- Global Strategic Analysis
- Human Resource Management in the Global Environment
- Leadership (optional)

Depending on their future career goals, our students can choose from four business specialisations at four international locations:

- International Marketing at the University of València, Spain
- International Finance & Investments at the University of North Carolina Wilmington, USA
- International Logistics & Supply Chain Management at the International Graduate Center (IGC), Hochschule Bremen City University of Applied Sciences, Germany
- Sustainable Risk Management at ESSCA School of Management in Paris, France

The International MBA is internationally accredited by EFMD (European Foundation for Management Development).

This programme goes beyond simply addressing trade issues between countries by encouraging critical analysis of what makes a business competitive in the international arena. It provides a unique learning experience based upon students' needs and graduates' opportunities.

Course Details

Course organisation

In the first semester, students study the core modules of the dual degree programme either at one of our partner universities of the International Business School Alliance (IBSA) or with us. For the specialisation and the Master's thesis, they will transfer to a second IBSA university and country (see list above). The core modules are identical at each partner university.

A Diploma supplement will be issued Yes

Certificates for specific modules are awarded Yes

International elements

- Training in intercultural skills
- International guest lecturers
- Integrated/optional study abroad unit(s)
- Courses are led with foreign partners
- International comparisons and thematic reference to the international context

Description of other international elements	International faculty
Integrated/optional study abroad unit(s)	The programme is a dual degree Master's programme offered by the International Business School Alliance (IBSA). Students study the core modules in the first semester at one of the IBSA partner universities and specialise in the second semester at the International Graduate Center of the Hochschule Bremen, City University of Applied Sciences in Bremen, Germany.
Diverse intercultural background of students	Yes, we have students from around 15 different nations from all over the world each year.
Course-specific, integrated German language courses	No
Course-specific, integrated English language courses	No

Application deadline Please check the [university's website](#).

Submit application to <https://www.graduatecenter.org/en/admission-support/online-application.html>

Services

Possibility of finding part-time employment Given that this is a one-year, full-time Master's programme with an intense study period and high workload, it is advisable not to work during the course of study. (In general, students from European Union countries are not required to have a work permit to work during their course of study. Students from countries outside the European Union may work 120 full days or 240 half days over the course of one year without a work permit. A special permit is required to work more than that.)

Accommodation The International Student Assistance (isa@hs-bremen.de) supports students in finding accommodation. This service is available to students free of charge. The applicants also have access to an online database where they can choose from various options for accommodation. Most students live in rented rooms or apartments that must be rented for at least six months. The rent for a single room is a minimum of 450 EUR each month.
