Course Details

Course organisation

Core Modules

The core modules take place between October and March, allowing students to gain knowledge in general management whilst working on real-world case studies and exploring fundamental business topics.

Elective/Specialisation

In addition to the core curriculum, you can choose four elective courses (duration: 2.5 days each) from a selection of 15 different options in two tracks: Advanced Management and Finance & Technology. The range of electives that is offered between March and May will allow you to tailor your MBA curriculum through a diverse and distinctive structure of time format options and block weekends. Electives are taught not only by in-house faculty but also by leading international practitioners, providing you with the tools to meet your personal aspirations. The electives are taking place in three locations: Frankfurt, Hamburg and Munich.

Thesis

The MBA thesis allows students to put their newly developed skills into practice and demonstrate their analytical and research competency through a major project.
