Master's degree

Neurobiology (MSc)

University of Tübingen • Tübingen

Overview

Degree	Master of Science
Teaching language	<ul style="list-style-type: none">English
Languages	Courses will generally be held in English.
Full-time / part-time	<ul style="list-style-type: none">full-time
Programme duration	4 semesters
Beginning	Winter semester
Application deadline	31 May
Tuition fees per semester in EUR	Varied
Additional information on tuition fees	No tuition fees for the first degree for EU citizens Approx. 1,500 EUR per semester for students from non-EU countries
Combined Master's degree / PhD programme	No
Joint degree / double degree programme	No
Description/content	The MSc programme in neurobiology offers in-depth training of methods and topics in neurobiology. You have the opportunity to acquire wide-ranging skills in current methods of neuroscientific research, and receive the training to independently address and solve scientific problems in this area. The focus of the programme is on the integrative neurosciences of vertebrate systems.

Course Details

Course organisation	Please refer to the module handbook. It is available on the course website.
---------------------	---

A Diploma supplement will be issued	Yes
Course-specific, integrated German language courses	No
Course-specific, integrated English language courses	No

Costs / Funding

Tuition fees per semester in EUR	Varied
Additional information on tuition fees	No tuition fees for the first degree for EU citizens Approx. 1,500 EUR per semester for students from non-EU countries
Semester contribution	Enrolment fees at the University of Tübingen are currently approx. 160 EUR per semester. This includes use of local public transport free of charge from Mondays to Fridays in the evening, at the weekend and on public holidays. In addition, students may purchase a semester ticket for unlimited use of public transport in the city of Tübingen and the surrounding area (currently approx. 140 EUR).
Costs of living	Estimated basic student expenses are around 950 EUR per month according to the Tübingen Student Services organisation ("Studierendenwerk"), including rent for student accommodation. Rent for private accommodation will be more expensive.
Funding opportunities within the university	No

Requirements / Registration

Academic admission requirements	Requirements (selection statutes 2024): Bachelor's degree in biology with a grade of at least 2.5 (German grading system) or another natural science with at least 30 ECTS credits related to the field of neurobiology
Language requirements	English language proficiency: TOEFL 95, IELTS 6.0, native speaker, English-language Bachelor's degree, or English B2 (also possibly English at the German "Abitur" level) International applicants: German language proficiency (minimum level A2)
Application deadline	31 May
Submit application to	Online application: https://uni-tuebingen.de/en/4204 For questions regarding the application process, please contact the International Students' Admissions Office via e-mail study@uni-tuebingen.de .

Services

Possibility of finding part-time employment

Students may find jobs as graduate research assistants for projects of the Department of Biology.

Accommodation

Accommodation is available through the Student Services organisation (“Studierendenwerk“) or on the private market. Rooms in student accommodation cost approx. 200 to 400 EUR per month. As Tübingen is a very attractive place to live, private accommodation is more expensive and can take some effort to find. To make sure you find a suitable place to live, you should start looking as early as possible.

We recommend you apply for student accommodation through the “Studierendenwerk” at the same time that you apply for admission to the Master's programme (<https://www.my-stuwe.de/en/housing/halls-of-residence-tuebingen/> and <https://www.my-stuwe.de/en/housing/faqs/>) and send in a copy of your notification of admission as soon as you have received it (your application won't be finally processed before the “Studierendenwerk” has received proof of your admission). For further information, check out the “Studierendenwerk” pages on housing in Tübingen (<https://www.my-stuwe.de/en/housing/housing-infos/>).

Support for international students and doctoral candidates

- Welcome event
- Buddy programme
- Accompanying programme

General services and support for international students and doctoral candidates

The university offers a number of “onboarding” services for newly arriving international students. These include:

- a help desk
- an advisory programme: “How to Study at the University of Tübingen”
- a wide range of social activities offered by student groups

For further information, please refer to: <https://uni-tuebingen.de/en/182071>.

A student initiative offers a buddy programme and a wide range of social activities during the orientation week and throughout the semester (www.studit-tuebingen.de/en/).

Furthermore, there is the Office for Advising and Admission of International Students (<http://www.uni-tuebingen.de/en/90787>).
