## IWU: Renewable Energy Sources

University of Kassel • Kassel

## Overview

Course location	Kassel
In cooperation with	Hessian State Ministry for Higher Education, Research and the Arts (HMWK)
Teaching language	<ul style="list-style-type: none"><li>English</li></ul>
Language level of course	<ul style="list-style-type: none"><li>English: B2, C1, C2</li></ul>
Date(s)	<ul style="list-style-type: none"><li>1 January - 18 January 2025</li></ul>
Information on dates, prices and mode of study	<p>The tuition fee for the programme is 2,390 EUR. If you register by 1 October, we will grant an early bird discount of 200 EUR.</p> <p>Students can opt to attend a four-day New Years Eve trip to Berlin, which costs an additional 340 EUR.</p> <ul style="list-style-type: none"><li>If you attend the optional Berlin trip: arrival in Berlin on 29 December 2024</li><li>Arrival in Kassel: 1 January 2025</li><li>Departure: 18 January 2025</li></ul>
Target group	IWU Kassel invites motivated and qualified students and graduates to join the programme. Students with a particular interest in German culture and language are also very welcome to participate.
Description/content	<p>The University of Kassel is one of the leading universities in Germany, and indeed in Europe, in the fields of energy and the environment, environmentally friendly construction, environmental systems research, and ecological agricultural science. IWU participants will benefit from this technical knowledge when they participate in the following English-taught seminar, offered by experts from the respective departments at the University of Kassel:</p> <p><b>Environmental Engineering - Renewable Energy Sources</b> (45 hours of instruction, 5 ECTS)</p> <p>Students gain an extensive overview of environmental engineering issues not only from a local perspective but also from a German and a European perspective. This multifaceted approach allows students to look into different aspects of the subjects concerned and to develop their own research focus.</p>

### German Language Course

(30 hours of instruction, 3 ECTS)

In addition to the academic seminars in the respective disciplines, all students attend intensive German language courses. These courses are offered at three different levels (from beginners to advanced).

## Course details

Recognised language exams offered (e.g. DSH, TestDaF, TOEFL)	No
Other degrees / qualifications awarded	Certificate of participation
ECTS points (max.)	8
Average number of hours per week	30

Language level of course	<ul style="list-style-type: none"><li>English: B2, C1, C2</li></ul>

**Language requirements**

A minimum level of English B2 is required for the IWU Kassel seminars.

**Submit application to**

<https://www.iukassel.de/en/iwukassel/application-scholarships>

## Services

**Is accommodation organised?**

Accommodation is arranged by the organiser.

**Type of accommodation**

Living with a German host family in Kassel, students will have a unique opportunity to experience German culture and everyday life first-hand. The homestay adds immeasurably to the study abroad experience and guarantees daily opportunities to improve both language and intercultural communication skills outside the classroom.

**Meals**

Accommodation with host families includes two meals per day. Breakfast and dinner will be provided by the host families, and an affordable lunch will be available at various campus cafeterias where vegetarian/vegan meals will also be served. At weekends, three meals a day will be provided by the host families.

**Is a social and leisure programme offered?**

Yes

**Description of social and leisure programme**

The IWU offers extracurricular activities such as a movie night, workshops, and a guided city tour.

**Free internet access**

Yes

**Support in visa matters**

Yes

**Pick-up service from train station/airport**

No

## Meghana D. Student

I had a really great time here in Kassel. The engineering lectures and courses at the IWU were thrilling. It was good to gain an insight into the numerous disciplines of engineering. For instance, we visited the "Viessmann-Werke" and inspected their biogas plants. We saw modern wind turbines nearly everywhere – Germany is definitively a lot more developed than other countries concerning green energy. I really want to return here for an internship in a German company!

# University of Kassel

---

The University of Kassel is a young, modern, and lively university with a unique profile in natural sciences, engineering, culture, and society. The University of Kassel is uniquely focused on environmentally related education and research. This is reflected in the university's more than 60 study sectors related to environmental issues.

## University location

Welcome to "boom town" Kassel, a combination of urban culture and pure nature - museums, art, culture, sports, leisure activities, mountains, lakes, and forests as far as the eye can see. At the same time, Kassel is well-connected to Berlin, Munich, Hamburg, and the Rhine and Ruhr regions. Kassel is home to approximately 200,000 people and looks back on more than a thousand years of history as the former capital of "Hessen-Kassel". Today Kassel is a vibrant, young town with a rich heritage.
