| Application deadline                     | The application period for the MSc is from 1 December until 31 January. For updates regarding deadlines, admission requirements and the application process, please check our website on a regular basis: <a href="https://www.cih.lmu.de">https://www.cih.lmu.de</a>  |
| Tuition fees per semester in EUR         | 6,000 EUR  |
| Combined Master's degree / PhD programme | No   |
| Joint degree / double degree programme   | No   |
| Description/content                      | <p>The postgraduate Master's programme in International Health (MSc IH) is conducted by the Division of Infectious Diseases and Tropical Medicine - Teaching and Training Unit (T&amp;TU) and the CIH LMU Center for International Health.</p> <p>The MSc programme focuses on health-related challenges in low- and middle-income settings. The interdisciplinary approach aims to provide students with knowledge in international and global health, covering global public health, infectious and non-communicable diseases, chronic diseases, health economy, and politics. Furthermore, students will be trained in research methods and skills in order to conduct research for their MSc theses.</p> <p>With international participants and small groups, individual guidance will be provided. Lectures take place in the beautiful city of Munich.</p> <p>During the advanced part of their studies, students may take part in modules across the globe by the tropEd network and/or select from a wide range of modules offered by the Division of Infectious Diseases and Tropical Medicine at the University Hospital of the Ludwig-Maximilians-Universität München.</p> <p>The MSc IH may be combined with the Diploma in Tropical Medicine and International Health</p> |

(DTMIH). Please visit our website for further information and contact us if you are interested in this option.

## Course Details

Yes

Course-specific, integrated English language courses

No

## Costs / Funding

|  |  |
|--|--|
| <b>Tuition fees per semester in EUR</b>            | 6,000 EUR  |
| <b>Semester contribution</b>                       | Approx. 85 EUR per semester<br><a href="#">Semester fees for the Munich Student Union - LMU Munich</a>         |
| <b>Costs of living</b>                             | Living costs (including accommodation and health insurance) in Munich range from 1,000 to 1,500 EUR per month. |
| <b>Funding opportunities within the university</b> | No   |

## Requirements / Registration

|  |   |
|--|---|
| <b>Academic admission requirements</b> | <p>Completed, first university degree of min. 240 ECTS credit points in a health-related science (usually equivalent to a full-time, four-year university degree programme with eight semesters). Applicants who have a qualifying, first degree of six semesters and 180 ECTS credit points may be admitted to the MSc programme if they meet additional requirements (i.e. additional courses and/or work experience). If this applies to you, please contact the MSc Programme Coordination for further information.</p> <p>At least two years of relevant, full-time work experience in the health sector is required. A work duration of two years must have been reached by the time that the application is submitted. Internships usually do not count. Only internships of longer duration can be possibly considered, given their relevant role proven by a respective reference and provided that they are equivalent to full-time employment.</p> |
| <b>Language requirements</b>           | English Language Proficiency: Level C1 according to the Common European Framework of Reference for Languages (CEFR)   |
| <b>Application deadline</b>            | The application period for the MSc is from 1 December until 31 January. For updates regarding deadlines, admission requirements and the application process, please check our website on a regular basis: <a href="https://www.cih.lmu.de">https://www.cih.lmu.de</a>   |
| <b>Submit application to</b>           | <a href="#">MSc International Health   CIH (lmu.de)</a>   |

## Services

|  |  |
|--|--|
| <b>Possibility of finding part-time employment</b> | The MSc is a one year, full-time programme. Therefore, there is no possibility of finding part-time employment.  |
| <b>Accommodation</b>                               | <p>The International Office helps visiting academics, PhD students, and postdocs who are travelling to Munich for a set period of time to find accommodation.</p> <p>For further information, please visit the following link:<br/><a href="https://www.lmu.de/en/study/important-contacts/international-office/index.html">https://www.lmu.de/en/study/important-contacts/international-office/index.html</a></p> |

Rooms in shared flats are popular on the private market and reasonably priced at 600 to 800 EUR per month if located in central parts of Munich.
