Joint degree / double degree programme	Yes
Description/content	This programme is meant for high school graduates who want to lay the right foundations for an

international career by

- obtaining in-depth knowledge of the most important disciplines of business administration,
- specialising in management,
- studying exclusively in English, and
- developing skills in a second language.

Course Details

Course organisation

- The programme is exclusively taught in English. Dedicated courses allow you to improve your English language skills.
- You will also acquire basic, business-oriented skills in an additional language. You have a choice between French, Spanish, and – if you are not a German native-speaker – German.
- The first four semesters will introduce you to the most important disciplines of business administration and economics. They also include all language modules.
- During semester five, you will gain experience abroad. You are welcome to study at one of our partner universities or at a university of your choice. Alternatively, you will have the opportunity to do an internship in a foreign country.
- Back in Germany, the programme focuses on the specialisation in management, including a comprehensive case study, in which you will work on innovative projects. This experience, together with a business simulation, will provide a unique set of challenges to help you to develop holistic managerial skills.
- The programme concludes with a Bachelor's thesis.

A Diploma supplement will be issued

Yes

International elements

- International guest lecturers
- Language training provided
- Training in intercultural skills
- International comparisons and thematic reference to the international context

Integrated internships

Students pursue an internship in a non-German speaking country. Non-German native speakers have the option to complete an internship in Germany. Alternatively, students can spend a semester abroad.

Course-specific, integrated German language courses

Yes

Course-specific, integrated English language courses

Yes

Costs / Funding

Tuition fees per semester in EUR

None

Semester contribution

A semester contribution of around 330 EUR is charged to cover the cost of student services, the student government, and an administrative fee as well as the "Deutschland semester ticket" (a student bus and rail pass for local and regional public transport all over Germany).

Fulda University of Applied Sciences

Campus of Fulda University of Applied Sciences

© Hochschule Fulda

Fulda University of Applied Sciences is a practice-oriented university with an international profile and a strong focus on applied research. Fulda University is the first university of applied sciences in Germany with the independent right to confer doctoral degrees. Founded in 1974, the university currently encompasses eight departments with over 60 [study programmes](#) and approx. 8,700 students, including over 1,750 international students from more than 90 countries. The university offers a broad spectrum of academic and professional education. Numerous [research](#) and development projects are undertaken in cooperation with private business and industry. Fulda University cooperates with more than 100 universities around the world. The number of international programmes is growing continuously. These programmes are partly or entirely taught in English.

At the Bachelor's level, we currently offer six international Bachelor's programmes: Science & Engineering, Industrial Engineering Food, Social Sciences for Intercultural Relations, Food Technology, Global Health, and International Business & Management. At the Master's level, we offer six programmes: International Management; Intercultural Communication and European Studies; International Food Business and Consumer Studies; Global Software Development; Data Science; and Human Rights Studies in Politics, Law, and Society.

Further programmes designed for international students include the following:

1. [Pre-College Fulda](#), a preparatory year for applicants with and without a higher education entrance qualification for Germany
2. [Pre-Study Fulda](#), a preparatory semester for international applicants that includes German language training
3. [Career service](#) for international students and graduates
4. Preparatory intensive German courses
5. German courses (accompanying studies)
6. Support services, e.g. for housing and visa as well as a buddy programme and orientation week

7. International Summer University (ISU), International Winter University (IWU), International Course in Business (ICB), and International Course in Social Work (ICSW)

University location

A historic city founded in 744, Fulda today has a population of 70,000 with approx. 100,000 people living in the region. Fulda's Baroque quarter is one of the most beautiful in Germany and attracts visitors from all over the world. The picturesque Old Town has many cafés, bars, and pubs, with numerous shops and boutiques. The city's cultural life has something to offer for everyone. The high quality of life makes Fulda a great place to live and an ideal place to study. Fulda enjoys ideal public transport connections. One of Europe's principal international airports, Frankfurt International, is just one hour away by car or direct train. Other major cities in Germany, like Berlin, Munich, Cologne, or Hamburg, are within easy reach and only two to three hours away by train. Even famous European capitals like Paris and Brussels are reachable within five hours by train.
