## Requirements / Registration

### Academic admission requirements

### Assessment test

Firstly, submit your application online and then send the following documents to the Student Office by post:

- Application form
- Tabular CV
- Certified copy of your degree certificate from your first degree (210 CP, where applicable 180 CP)
- Informal memorandum of understanding (approx. 2,000 characters) with clarification of your reasons for choosing this programme and your preferred specialisation subject

You will only be permitted to sit the assessment test if your application is formally complete and has been submitted on time. Decisions regarding admission are made by the relevant Examination Board.

The assessment test usually takes place in January for admission to the summer semester and in July for admission to the winter semester.

Please bring **work samples** with you to the assessment test as these will be evaluated as part of a

one-to-one oral examination. During the assessment test, you will also work on an **examination task** whose **content is based on your chosen specialisation subject**

You will receive the results of the assessment test in writing within around two weeks.
