Language course/short course

Draw/ Design/ Build – Berlin

Technische Universität Berlin • Berlin

Overview

Course location	Berlin
Teaching language	<ul style="list-style-type: none">English
Language level of course	<ul style="list-style-type: none">English: B2
Date(s)	<ul style="list-style-type: none">12 August - 23 August 2024 (Registration deadline of course provider: 15 July 2024)
Information on dates, prices and mode of study	<p>Course fees are as follows:</p> <ul style="list-style-type: none">Student: 1,050 EURWorking professional/non-student: 1,250 EUR <p>Please note that students will be required to upload proof of their student status (student card/enrolment information) during the registration process.</p>
Target group	<p>The course is aimed at students who need to use drawing as a design tool in their studies and later in their professional work. It is also aimed at students who want to gain creative and practical knowledge through designing and making.</p> <p>This course is particularly suitable for students of Architecture, Landscape Architecture, Urban Design, Engineering, Sociology and any other interested individuals who are willing to leave the boundaries of their desks and conquer real-life scenarios.</p>
Description/content	<p>This Summer School project focuses on exploring Berlin through analogue hand drawing, and then using drawing and model-making methods to design and construct a small building project. This project will run as a collaboration between Linescapes (www.Linescapes.de) and the Open Space Collective, TU Berlin (www.dbxchange.eu/node/485).</p>

Course details

Recognised language exams offered (e.g. DSH, TestDaF, TOEFL)	No
