Services

Possibility of finding part-time employment	The in-house university career service programmes offer you the opportunity to find a way to earn some money during your studies. In addition, an employee of the Career Service will regularly
--	---

inform you by e-mail about part-time and temporary jobs in a wide range of fields.

The Graduate and Company Contact Fair (ZWIK) takes place once a year in the Zwickau Civic Hall (Stadthalle). It offers students information about internships, dissertations, work-study jobs, vocational training, and student jobs. A visit to ZWIK will enable you to make contact with the company of your choice.

Accommodation

Student dorms

The "Studentenwerk Chemnitz-Zwickau" offers student residences in Zwickau close to each campus. A single room in a student residence costs approx. 235 to 355 EUR per month, and you can also find private housing in Zwickau at a reasonable price. After your admission to the university, you will be able to register for a dorm room. Unlike in many big cities, everyone usually finds it easy to find a room.

[Check out our dorms](#) on the "Studentenwerk" website.

Support for international students and doctoral candidates

Learn hands-on and get ready for working life

Westfälische Hochschule Zwickau (WHZ) is a university of applied sciences. That means you will enjoy hands-on training and practice-oriented research as well as profound theoretical teaching. Our degree programmes in the fields of engineering, business, health care management, languages, design, etc. will provide you with almost limitless possibilities.

We maintain strategic local and international industry connections to pave your career path in the best possible way. No matter which programme, our Bachelor's and Master's graduates get optimal conditions, from committed professors to one of the finest university libraries in Germany.

Work in state-of-the-art facilities and make innovative contributions to applied research.

Visit our [university website](#).

University location

Three university locations in one of the most beautiful areas of Saxony

Depending on your chosen degree programme, you will study in

- Zwickau (where most of the degree programmes are located),
- Schneeberg (Design), or
- Markneukirchen (Musical Instrument Technology).

Each of these cities has its own unique charm.

Zwickau is the main location of WHZ. It is known as an automobile city and is also famous for its connection to the classical composer, Robert Schumann.

In the small city centre with attractive shops and pedestrian areas, you can still perceive the rich cultural history. Besides picturesque urban flair, Zwickau offers lots of green space for you to do sports, relax, or barbecue, especially on the nearby Mulde riverbank. Many campus buildings are only a stone's throw away. Additionally, it is merely a 30-minute drive to the Ore Mountains or 1.5 hours to Saxon Switzerland – both of these places are great destinations in the summer and winter.

Schneeberg and Markneukirchen are situated in a rather rural and breathtaking landscape. There you can experience Ore Mountain customs, traditional wood crafts, and the famous Christmas markets.
