MCQST Summer Bachelor's Programme

Ludwig-Maximilians-Universität München • München

Overview

Course location	München
In cooperation with	Munich Center for Quantum Science and Technology
Teaching language	<ul style="list-style-type: none">English
Language level of course	<ul style="list-style-type: none">English: B2, C1, C2
Date(s)	<ul style="list-style-type: none">4 August - 29 August 2024 (Registration deadline of course provider: 1 February 2024)
Information on dates, prices and mode of study	Participation fee: 220 EUR No further costs for participation, programme is sponsored by MCQST
Target group	Bachelor's students enrolled in an undergraduate degree in physics, mathematics, computer science, electrical engineering, material science, or chemistry
Description/content	<p>The Munich Center for Quantum Science and Technology (MCQST) Summer Bachelor's Programme provides undergraduate students worldwide the opportunity to gain an insight into research in quantum science and technology (QST) at MCQST and its participating institutes.</p> <p>After an introductory week featuring a retreat in the Bavarian spa town of Bad Tölz, you will work on one of our research group's projects. In addition, cultural and social activities will give you a taste of life in Munich. By the end of the programme, you will have gained first-hand, expert knowledge in quantum science and technology as well as a familiarity with the Munich research environment.</p> <p>MCQST focuses on specific research directions: quantum information theory, quantum simulations, quantum computing, quantum communication, quantum metrology and sensing, quantum matter, and interdisciplinary explorative directions. More detailed information can be found here: research units.</p>

Course details

Recognised language exams offered (e.g. DSH, TestDaF, TOEFL)	No
--	----

Average number of hours per week 30

Average number of participants per group/course 16
