## Requirements / Registration

## Academic admission requirements

1. To study in a Bachelor's degree programme at Anhalt University, you will need a university entrance qualification (HZB). Typically, this is the equivalent of a German Abitur (e.g. high school diploma or A-levels) or a subject-specific qualification. However, there are also other qualifications that permit you to study. If your HZB is restricted to a specific German state (note in your transcript), then it might also be recognised in Saxony-Anhalt.
2. Applicants must demonstrate a level of proficiency in English (see below).
3. Applicants have to attend an online interview with the programme director as part of the selection process. After successful participation, the applicants will be admitted to the Bachelor's degree programme in International Business.

## Language requirements

- TOEFL: min. 88 internet based / 605 paper based
- CPE (Certificate of Proficiency in English): Grades A / B / C
- CAE (Certificate of Advanced English): Grades A / B / C
- IELTS (International English Language Testing System): min. 6.5

Applicants don't have to demonstrate a level of proficiency in German. The Bachelor's degree programme in International Business is taught exclusively in English – no German language skills are required.

## Application deadline
