Hochschule Fresenius - University of Applied Sciences

Hochschule Fresenius blends tradition with innovation. Digital transformation, demographic change or skills shortages: we know what makes people, societies and economies tick. We are constantly developing our study programmes to train the next generation of specialists and managers. Join us and help shape the future with your specialist skills, creativity, agility and empathy.

Reasons to study here:

- Total flexibility when choosing your location and mode of study in Germany and our integrated semesters abroad.
- Teaching is practical: Most of our lecturers work in their area of specialisation. Courses often also feature guest lecturers to relate theory to practice.
- Personal attention: The group size has a maximum of 25 students. Our staff and lecturers will be happy to help you at all times.

Education

Fresenius University of Applied Sciences is one of the oldest private universities in Germany. It is state-recognised and has an academic and educational tradition stretching back about 170 years. The International Business School is a school of Fresenius University of Applied Sciences. Its English-taught programmes attract international students and offer globally-oriented students an international dimension in higher education. The resulting study groups provide exciting possibilities for students to build bridges across cultures at the start of their academic careers.

Accreditation

Hochschule Fresenius offers the highest quality of education. We received institutional accreditation by The German Council of Science and Humanities in 2016 and have maintained the system accreditation since 2015. All study programmes passed the internal quality assurance, are fully accredited and state-recognised.

📍 University location

Enjoy the feel-good atmosphere of the Hessian state capital. Wiesbaden offers ideal conditions for the successful completion of your Bachelor's or Master's studies. The city is characterised by a high quality of life, and it also offers an exciting corporate structure. At our new campus in Wiesbaden, you will study in modern buildings and in a central location on Moritzstraße. A pleasant environment for your studies is thus guaranteed.
