Special features University Sports | The university offers its own sports programme. Participation is free of charge. Our students do not have access to the university sports of other universities. We are however networked with the university sports of all German universities and exchange ideas about competitions or further training measures. The students of our university use the program of the university sport in addition to voluntary participation, also as a way to do their mandatory sport. The implementation of the sports activities is based to a large extent on very high commitment from our own ranks.
