Special features library
The university library with its four sites in Aachen and Jülich guarantees an adequate supply with specialist information in print and digital format for academic studies, teaching and research. In the form of training sessions, information material of all kinds and via social media channels, the library provides knowledge oriented towards specific target groups for academic research, the critical treatment of search results and information procurement and literature management. Opening hours as required, user workspaces with modern equipment for groups and individuals, as well as self-service stations complement the services.
