CENTRAL SERVICES

Opening hours central student counselling
please see university website (link below)
more information

Special features library
As an additional service the ISM library offers support in research and the correction of academic work, and much more. First semester students receive information on use of the library databases, lending terms, and use of the copy and book shop in their introduction week. Prospective graduates are given training in research and intensive courses in academic writing. Individual guidance sessions possible by appointment. In Hamburg, around 11,200 media items are available. more information

Foreign language courses
There is a foreign language centre. English, French, Italian, Spanish.
more information

Special features University Sports
The university offers its own sports programme. Some courses are free of charge, some subject to fees. Like-minded students can meet through the sports study group. The sports department organises tournaments, rents halls and negotiates reduced rates for sports activities. Interests range from football and basketball to yoga, cheerleading or golf.
