Special features library

The Macromedia Library is represented at all five sites of the university with one of its own libraries, which are managed centrally from Munich. Each site has a library assistant who provides students academic guidance and information about all issues related to the communication of information. A library room with workspaces for quiet work is also available in each location. As well as providing introductions to using the university library itself, its catalogue and search options, the library also gives advice on how to use other public libraries in the area. more information » [http://library.macromedia.de/]

Foreign language courses

There is no foreign language centre.

Special features University Sports

The university does not have its own sports programme. Students attending the institution can participate in the University of Stuttgart sports programme. more information » [https://www.hochschulsport.uni-stuttgart.de/]
