Takla Shuker

DSH course participant

Since I started learning German at UPB, I have noticed significant progress in my language skills and integration into my new home country. In addition to language acquisition, I am gaining important insights into university life in Germany, which will certainly help me to quickly find my way in my Business Administration Master's programme. What I particularly like about the language course at UPB is the interactive teaching. The teachers are very competent and create a positive atmosphere.
