

Appendix 1

2019 Funding requirements

German-Arab Transformation Partnership, Programme Line 1

German-Arab university partnerships with partner universities in Tunisia, Iraq, Yemen, Jordan, Lebanon, Libya and Morocco

for new applications (2019 – 2020) and concluding measures (2019) in the programme

Funding rates for the stay in Germany and in the target countries
(The days of arrival and departure are counted together as one day)

Stay in Germany	Monthly rate (from 13th day onwards)	Daily rates for short stays of up to and including 12 days
• Students	€750	€50
• Graduates with a Bachelor's degree	€850	€60
• Doctoral candidates, academics, lecturers, assistants, etc. (each with a Master's degree or equivalent)	€1,200	€80
• Academics holding a PhD and professors	€2,000	€89

Stay in target countries	Monthly rate (from 13th day onwards)	Daily rates for short stays of up to and including 12 days
• Students	€750	€55
• Graduates with a Bachelor's degree	€825	€65
• Doctoral candidates, academics, lecturers, assistants, etc. (each with a Master's degree or equivalent)	€1,125	€85
• Academics holding a PhD and professors	€2,000	€89

International health insurance contributions: these must be paid from the funding allowances.

Funded individuals from abroad must be informed of the importance of adequate insurance coverage. If it is not possible to take out international health insurance in the home country, international participants must be insured by the German host, or the host must ensure that they insure themselves immediately after arrival in Germany.

Daily allowance of €10 per person per day of the event (not for arrival and departure days) for local participants (persons whose main place of residence is in the city where the event or measure takes place).
