

Project description

(Arial, font size 10)

Funding programme:	German–Pakistani Research Cooperation 2021–2022 and extensions 2021
Programme objectives:	
Objective 1	Integrate HEC alumni/DAAD alumni with ties to Germany
Objective 2	Improve teaching and/or research in partner country
Objective 3	Refer to current issues relating to the economic, environmental, social and/or socio-economic development of Pakistan
Objective 4	Offer young academics in Pakistan additional qualifications by means of professional development courses and specialisation

Project data	
Project title	Please specify
Institution submitting the application	Please specify
Project manager	Please specify
Project manager abroad	Please specify
Partner institution abroad	Please specify
Partner country/countries	Please specify
If follow-up application ¹ : last funding period	from: Please specify (mm/yyyy) to: Please specify (mm/yyyy)
Parallel application submission in other DAAD programme(s)?	Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, which?	Please specify
Parallel application submission to another funding organisation?	Yes <input type="checkbox"/> No <input type="checkbox"/>
If yes, to whom?	Please specify
If yes, to whom?	Please specify

¹ **Follow-up application:** Application submission for current/completed project from previous year in the same programme.

Short summary and description of the content of the project

Give a short description of the planned project with reference to the above-mentioned programme objectives (*max. one A4 page*).

Please specify

In the case of follow-up applications: project progress to date

1. Describe the progress of the project to date (implementation of measures and achievement of objectives).
2. If an **evaluation** has already been carried out, describe the results and how they have been implemented in the further course of the project.

(*max. three A4 pages*)

Please specify

Project objectives

Specific project objectives should be stated and compared with the above-mentioned programme objectives.

Please specify

Measures planned

a. Description of measures

Describe the planned measures (see also the section “Measures eligible for funding” in the programme call for applications) and allocate them to the above-mentioned project objectives. Explain the extent to which these are necessary and suitable for achieving the objectives (*max. half an A4 page per measure description*).

Insert new rows into the table for further planned measures.

Measure 1:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 2:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 3:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify

Measure 4:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 5:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify

b. Scheduling of measures

The time and event schedule serves as an aid for making planning and the goal description as concrete as possible. The planned measures must be entered chronologically in the table under separate headings.

Funding measure	Quarter/period
Please specify	Please specify
Please specify	Please specify
Please specify	Please specify

Optional explanation of financing plan

Income and expenditure in the financing plan can be described in more detail at this point (*max. half an A4 page*).

Please specify

Selection criteria

Describe the extent to which the planned project meets the selection criteria in the programme's call for applications (*max. half an A4 page for each selection criterion*) (if a statement is not provided, this criterion will be rated as "not met" in the application assessment).

Selection criterion 1:	the integration of Pakistani young academics trained in Germany from the HEC programme or DAAD alumni with an MA or a PhD
Description:	Please specify
Selection criterion 2:	the high academic quality of the project (in particular, clarity of project objectives and methods) and project-relevant competence of the Pakistani and German research group
Description:	Please specify
Selection criterion 3:	contribution to supporting research on the Pakistani side
Description:	Please specify
Selection criterion 4:	contribution to supporting the quality of teaching
Description:	Please specify
Selection criterion 5:	contribution to supporting young academics on both sides

Description:	Please specify
Selection criterion 6:	the development policy and/or socio-economic relevance of the research project
Description:	Please specify
Selection criterion 7:	the scientific value of the project in terms of its topicality and degree of innovation
Description:	Please specify
Selection criterion 8:	the feasibility of the research project with regard to time and the calculated resources presented in the financing plan
Description:	Please specify

Further programme-specific information

Roles in the project

Specify which project partners in Germany and abroad will be responsible for which project tasks.

Please specify

Sustainability: anticipated benefits/usability of the experiences and results of the project

How are the results of the project to be used?

Please specify

Is a forwarding of the grant planned? If so, please explain and justify.	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
--	-----	--------------------------	----	--------------------------

Reason: Please specify

Application checklist

Application documents relevant for selection		✓
1	Project application (in DAAD portal)	<input type="checkbox"/>
2	Financing plan (in DAAD portal)	<input type="checkbox"/>
3	Project description	<input type="checkbox"/>
4	Proof of alumni status	<input type="checkbox"/>
5	Signed partnership agreement	<input type="checkbox"/>
6	Confirmation from the administration of the German university	<input type="checkbox"/>
7	Confirmation of project assistance, if applicable	<input type="checkbox"/>
