

Project description

(Arial, font size 10)

Funding programme:	German–Iraqi Academic Partnerships German–Iraqi Academic Partnerships new applications 2021–22 Extension 2021
Programme objectives¹:	
Objective 1	Develop and expand the Iraqi higher education landscape in long-term partnerships with one or more Iraqi higher education institutions
Objective 2	Modernise higher education in Iraq (e.g. by jointly developing new curricula, introducing new teaching methods and linking teaching and research)
Objective 3	(Further) qualify Iraqi university lecturers in teaching and research
Objective 4	Provide targeted support for young academics at the partner university/universities
Objective 5	Further develop networks between German and Iraqi higher education institutions

Project data	
Project title	Please specify
Institution submitting the application	Please specify
Project manager	Please specify
Project manager abroad	Please specify
Partner institution abroad	Please specify
Partner country/countries	Please specify
If follow-up application ² : last funding period	from: Please specify (mm/yyyy) to: Please specify (mm/yyyy)

¹ The overarching objectives are the maximum programme objectives to be achieved which do not necessarily all have to be pursued in one project.

² **Follow-up application:** Application submission for current/completed project from previous year in the same programme.

Parallel application submission in other DAAD programme(s)?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
If yes, which?	Please specify			
Parallel application submission to another funding organisation?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
If yes, to whom?	Please specify			
If yes, to whom?	Please specify			

Short summary and description of the content of the project

Give a short description of the planned project with reference to the above-mentioned programme objectives (*max. one A4 page*).

Please specify

In the case of follow-up applications: project progress to date

Describe the progress of the project to date (implementation of measures and achievement of objectives). (*max. one A4 page*)

Project objectives

Specific project objectives should be stated and compared with the above-mentioned programme objectives.

Please specify

Measures planned

a. Description of measures

Describe the planned measures (see also the section “Measures eligible for funding” in the programme call for applications) and allocate them to the above-mentioned project objectives. Explain the extent to which these are necessary and suitable for achieving the objectives (*max. half an A4 page per measure description*).

Insert new rows into the table for further planned measures.

Measure 1:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 2:	Please specify

Description:	Please specify
Allocation to objective(s)	Please specify
Measure 3:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 4:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify
Measure 5:	Please specify
Description:	Please specify
Allocation to objective(s)	Please specify

b. Scheduling of measures

The time and event schedule serves as an aid for making planning and the goal description as concrete as possible. The planned measures must be entered chronologically in the table under separate headings.

Funding measure	Quarter/period
Please specify	Please specify
Please specify	Please specify
Please specify	Please specify
Please specify	Please specify
Please specify	Please specify

Optional explanation of financing plan

Income and expenditure in the financing plan can be described in more detail at this point (*max. half an A4 page*).

Please specify

Milestone planning

Insert extra sections into the table for further planned milestones.

Milestone 1:	Please specify
Description:	Please specify

Performance indicator (if available)	Please specify
Planned achievement date	Please specify
Milestone 2:	Please specify
Description:	Please specify
Performance indicator (if available)	Please specify
Planned achievement date	Please specify
Milestone 3:	Please specify
Description:	Please specify
Performance indicator (if available)	Please specify
Planned achievement date	Please specify

Selection criteria

Describe the extent to which the planned project meets the selection criteria in the programme's call for applications (*max. half an A4 page for each selection criterion*) (if a description is not provided, this criterion will be rated as "not met" in the application assessment).

Selection criterion 1:	high academic quality of the project (in particular, clarity of project objectives and methods);
Description:	Please specify
Selection criterion 2:	(further) qualification of Iraqi university lecturers in teaching and research
Description:	Please specify
Selection criterion 3:	contribution to targeted support for young academics at the partner university/universities in Iraq
Description:	Please specify
Selection criterion 4:	modernisation of higher education in Iraq (curricula, quality assurance procedures, etc.)
Description:	Please specify
Selection criterion 5:	further developing networks between German and Iraqi higher education institutions.
Description:	Please specify
Selection criterion 6:	explanation of the project's feasibility in light of the security situation in Iraq
Description:	Please specify

Further programme-specific information

<p>Roles in the project Specify which project partners in Germany and abroad will be responsible for which project tasks.</p> <p>Please specify</p>
<p>Fees Explain for what purpose and for whom (with professional/academic position) fees are being applied for.</p> <p>Please specify</p>
<p>Selection procedure for funding recipients/participants in the project Based on the programme call for applications, describe the public announcement of the scholarship awards, the composition of the selection committee, selection criteria/levels, the form in which the scholarship is awarded (e.g. scholarship agreement, scholarship certificate).</p> <p>Please specify</p>
<p>Sustainability: anticipated benefits/usability of the experiences and results of the project Describe how the results of the project are to be used.</p> <p>Please specify</p>
