

Expenditure eligible for funding

German-Iraqi Academic Partnerships 2022–2023 German-Iraqi Academic Partnerships 2022 (extension)

All costs that are necessary for project implementation (implementation of the measures) are eligible for funding. These include in particular:

Personnel resources for project implementation and support

- Staff
 - Research associate
 - Academic assistant
 - Student assistant

Personnel costs include the gross salary paid by the employer. Annual bonus payments are only eligible for funding during the appropriation period and only insofar as the payment date is within this period.

Insofar as there are difficulties in employing student assistants to undertake project-related administrative activities, applications can instead be submitted for expenditure on TV-L employees (salary group 8) if required.

Material resources (for implementing the project in Germany)

- Fees

For external lecturers (experts/trainers, not staff members of the grant recipient)

Hourly rate of up to	EUR 40
Daily rate of up to	EUR 250
- Travel expenses for project personnel

Expenses for travel and flights can be submitted and claimed according to the applicable laws (BRKG/LRKG). Only second class rail travel and economy class flights are eligible for funding. The rates for Luxembourg apply for travel to Iraq.
- Stays of project personnel

Expenses for an overnight stay (accommodation and meals) can be submitted and claimed according to BRKG/ LRKG.
- Equipment funding in Germany/outside Germany
 - Consumables
(office supplies for workshops, conferences, events, etc.)
 - Non-consumables
(rent for computers, software, beamers, chairs/tables for the partner university, etc.)
 - Room rental
(rent for conference rooms, conference technology, etc.)
 - Printing/publications/advertising and public relations
(flyers, brochures, posters, social media, etc.)
 - External services
(coach companies, IT support, etc.)
 - Other

(expenditure for communication, excursions, teaching materials, etc.)

The following expenditure is not eligible for funding:

Acquisition of devices (e.g. printers, laboratory equipment) for partner institutions in Iraq, gifts

Note:

Approval for material resources for conducting events at higher education institutions in Turkey, Jordan, Iran or safe third countries is subject to prior coordination with the DAAD.
