

# **In-Region Scholarship Programme South Africa**

## **Call for Scholarship Applications 2021 at the University of Cape Town (African Paediatric Fellowship Programme)**

**Funded by the German Federal Ministry for  
Economic Cooperation and Development (BMZ)**

**Application Closing Date at DAAD (for pre-selected candidates only):  
June 2, 2020**

*Scholarships will be awarded subject to the provision of funds and to the conclusion of  
contract between the host institution and DAAD*

## Programme Objectives

The programme aims at fostering strong, internationally oriented higher education systems in Sub-Saharan Africa with the capacity to contribute to sustainable development. To this end, scholarships are granted for development-related Master or doctoral studies for individuals who plan to pursue a career in teaching and / or research at a higher education institution in Sub-Saharan Africa.

By training future academic and professional leaders, the programme contributes to the following **long-term impacts**:

- Qualified professionals' involvement in the solution of development-related problems in Sub-Saharan Africa
- Graduates strengthening education and research in Sub-Saharan Africa
- Structural strengthening and regional networking of partner institutions and partner universities

To achieve these long-term impacts, the following outcomes have been formulated as programme objectives:

**Programme objective 1:** Graduates have qualified to take over responsible positions in their, or for their, region of origin

**Programme objective 2:** The participation of women and underprivileged groups is reinforced

**Programme objective 3:** Organizational, financial and personal capacities of partner institutions are strengthened

As part of the „In-Country/In-Region Scholarship Programme“ DAAD offers scholarships for Master studies. The programme is funded by the German Federal Ministry of Economic Cooperation and Development (BMZ) and aims at university staff in the first line, without neglecting the public sector demand of academically trained personnel.

The target group for scholarships are graduates and postgraduates from Sub-Saharan Africa (excluding South Africa) with a first academic degree if applying for a Master's programme who want to pursue Master's courses. **In-Region Scholarships** are aimed at students who want to participate in a study programme in a country of their home region (here: Sub-Saharan Africa/outside their home country).

It has been agreed upon that DAAD cooperates with the African Paediatric Fellowship Programme (APFP) by offering up to 6 In-Region Scholarships for Master studies at APFP for the intake 2021.

**Scholarships will be awarded subject to the provision of funds and to the conclusion of contract between the host institution and DAAD.**

## Application requirements

### Applicants

- have successfully completed generally a three-year university degree (Master candidates) with above average results (at least: Second Class/Upper division)
- clearly show motivation and strong commitment
- have thorough knowledge of the language of instruction
- have generally completed their last university degree not more than 6 years ago at the time of application
- must be nationals or permanent resident of a Sub-Saharan African country (excluding South Africa)

- should generally be a) staff member of a public university, b) candidate considered for teaching or research staff recruitment, c) from the public sector, d) Alumni of the DAFI programme

*Female applicants and candidates from less privileged regions or groups are especially encouraged to participate in the programme.*

Scholarships are initially granted for one year and can be extended to a maximum of the regular period of study upon receipt of an application for extension. Scholars must demonstrate satisfactory progress before an extension is granted.

## Eligible fields

The In-Region Scholarship Programme supports studies in subject areas with strong relevance to national development.

The scholarships at APFP are available in the paediatric subspecialties:

- Child and Adolescent Psychiatry
- Development Paediatrics
- Paediatric Allergology
- Paediatric Cardiology
- Paediatric Critical Care
- Paediatric Endocrinology
- Paediatric Gastroenterology
- Paediatric Infectious Diseases
- Paediatric Nephrology
- Paediatric Neurology
- Paediatric Oncology
- Paediatric Pulmonology
- Paediatric Rheumatology

## Place of tenure

APFP, Red Cross War Memorial Children's Hospital, University of Cape Town

## Duration and Commencement

The duration

- of the programmes is generally two years (only for Paediatric Cardiology it is three years)

generally **starting in February 2021**.

Please note that the maximum duration of the scholarship is based on the time that is left until the scholarship holder has reached the regular period of studies in that programme; i.e., if you apply for a DAAD scholarship starting in your second year of studies of a three-year programme, the maximum duration of the scholarship will be two years.

## Application and Selection Procedure

**The application process contains two steps. Please be aware of the two application deadlines.**

### First step:

Applicants must apply for their studies at APFP using the contacts and the method that is prescribed by the institution. **APFP has set its own deadlines.**

APFP will screen, pre-select (according to DAAD selection criteria) and short-list the applicants. A detailed report consisting of the shortlisting procedure, the entire

list of applicants, the ranked shortlist and the shortlisting panel members will also be available to DAAD. The ranked shortlist will contain preferably triple (at least double) the number of scholarships that have been attributed to the institution.

DAAD reserves the right of final selection.

### Second step:

APFP will provide the shortlisted candidates with the link to the DAAD-Portal. Only the pre-selected candidates are asked to log into the DAAD portal, register themselves and submit a DAAD application. **DAAD Deadline: June 2, 2020**

### Documents to be submitted **in English:**

- DAAD application form duly filled in (available in the DAAD-Portal)
- Hand signed curriculum vitae (please use the European specimen form at <http://europass.cedefop.europa.eu>), including a list of publications (if applicable).
- 1 Recommendation letter by university teachers
- Letter of admission for the host university
- Certified copies of university degree certificates including transcripts
- Letter of motivation (if applicable: mentioning the planned research stay in Germany, see "Additional benefits")
- Copy of the passport
- if applicable, information on the UNHCR registration as refugee

## Scholarship funding

The scholarship covers:

Item	Payment	Amount
<b>Tuition fees*</b>	annually	Year 1: 56,313 ZAR Year 2: 76,070 ZAR
<b>Study and research allowance</b>	annually	460 EUR (Master)
<b>Printing allowance</b>	once at the end	400 EUR (Master)
<b>Monthly Scholarship (Accommodation, Food etc.)</b>	monthly	450 EUR (Master)
<b>Travel allowance (In-Region only)</b>	twice (beginning/ end of scholarship)	<i>The flat rate travel allowance will be specified in the letter of award</i>
<b>Health insurance (In-Region only)</b>	annually	If applicable <i>Further information regarding the health insurance will be specified in the letter of award</i>

\* Please note it is possible that some fees that are included in the official fee structure of the host institution might not be eligible for funding within this programme, either because part of the DAAD stipends and allowances are expected to cover these expenses, or because other restrictions prevent DAAD from financing the items within this programme (e.g.: Laundry Fee or

Activity Fee). Therefore, DAAD reserves the right to exclude these items from the payments and only covers the amount of fees that is mentioned above.

The scholarship will be paid directly to the scholarship holder's banking account. Further details will be announced after admission to the scholarship programme.

The DAAD will endeavor to transfer/pay out the first payments as quickly as possible after the scholarship holder has arrived at the host institution. Nevertheless, it is recommended to bring a financial reserve for the first time period.

### Additional benefits / information

DAAD In-Country/In-Region scholarship holders are also encouraged to apply for a **research stay in Germany** for 3 up to 6 months. Please note: **The short-term research stay in Germany should preferably be announced in the application for the regular scholarship** and can only be awarded if the necessary financial means are available.

The short-term research scholarship includes:

- a monthly scholarship payment for living costs
- health/accident/personal liability insurance
- a flat-rate travel allowance

All further details regarding additional benefits and the additional application processes will be provided after admission to the scholarship programme.

Please note that all short-listed applicants will be asked to participate in a multi-wave monitoring survey to gather data on different academic and career development aspects. Participation in voluntary.
